PEO 2: To solve complex power system problems with commensurate research methodologies as well as modern tools to evaluate a broad spectrum of feasible optimal solutions keeping in view socio- cultural and environmental factors.

PEO 3: To posses wisdom regarding group dynamics to efficaciously utilize opportunities for positive contribution to collaborative multidisciplinary engineering research and rational analysis to manage projects economically.

PEO 4: To communicate with engineering community and society at large adhering to relevant safety regulations as well as quality standards.

PEO 5: To inculcate the ability for life-long learning to acquire professional and intellectual integrity, ethics of scholarship and to reflect on individual action for corrective measures to prepare for leading edge position in industry, academia and research institutes.

Program Outcomes (PO)

PO1: An ability to independently carry out research /investigation and development work to solve practical problems.

PO2: An ability to write and present a substantial technical report/document.

PO3: Students should be able to demonstrate a degree of mastery over the area as per the specialization of the program. The mastery should be at a level higher than the requirements in the appropriate bachelor program.

PO4: Recognise the need for continuous learning and will prepare one-self to create, select and apply appropriate techniques and modern engineering and IT tools to solve complex power system problems.

PO5: Demonstrate knowledge of engineering and management principles and apply to manage projects efficiently and economically with intellectual integrity and ethics for sustainable development of society.

PO6: Possess knowledge and understanding to recognize opportunities and contribute to collaborative-multidisciplinary research, demonstrate a capacity for teamwork, decision-making based on open-mindedness and rational analysis in order to achieve common goals.

Graduate Attributes (GAs)

GA 1: Scholarship of Knowledge

Acquire in-depth knowledge of specific discipline or professional area, including wider and global perspective, with an ability to discriminate, evaluate, analyse and synthesise existing and new knowledge, and integration of the same for enhancement of knowledge.

The nonprofit is designed to train and mentor budding African tech entrepreneurs through an intensive one-year program. Candidate must submit the proof of passing of their final examinations by 31st October 2020. They are alsoDeveloping countries are the new land of possibility for technology corporations. Then click on "Continue" to proceed further, a confirmation message will be displayed on the screenIf you have already registered create a profile using "Username" & "Password"Then again login by using your Username & PasswordA new page will appear on the screen where you have to click on the "Add Application" button to proceed for the registrationAfter that fill up the application form by providing all your Personal Details & Education QualificationAfter successfully filling the application form applicants need to make payment.Documents Required for BITS Mesra Application Form 2020Class 10th Pass certificate Marksheet of Class 10thClass 12th Pass certificate Marksheet of Class 12 / Intermediate or equivalentAdmit Card of JEE (MAIN) Entrance Score Card of JEE (MAIN) School Leaving CertificateMigration CertificateCaste certificate (If available)Applicants belonging to other special categories, such as Person with Disabilities & Kashmiri Migrants, must submit a certificate in the appropriate format from the appropriate authority.Recent Coloured PhotographBITS Mesra B.E., B.Arch Selection Process 2020Candidates will be selected for the B.E./B.Arch courses on the basis of merit.For Indian students - The selection will be based on the candidates score obtained in JEE-Main entrance exam through JoSAA (Joint Seat Allocation Authority)/ CSAB (Central Seat Allocation Board) For NRI/ SFFS/ PIO- The selection will be based on the candidate's marks obtained in class 12 examination or its equivalent qualifying examinationDocuments Required:For M.PharmCandidates must hold a B.Pharm. It also organizes the African Technology Summit, an annual conference that brings together some of the top people in African tech.Internet of Things networking company Ingenu is expanding its exclusive Random Phase Multiple Access (RPMA) network to the petroleum-rich regions of Nigeria to monitor its key oil and gas assets. According to a 2015 Pew Research Center study, more than half of adults in the surveyed emerging and developing economies use the internet, while a third of them own and use a smartphone.As a result, we're seeing a massive paradigm shift -- one in which tech opportunities abound in the developing world. Huawei is also leading the development of 5G, which will change how we look at mobile communication especially in the developing world. And the 40% weightage shall be given to the marks obtained in the Class 12 examination or any other qualifying examination.Candidate should have passed 10+2Documents Required:For MBACandidates must have appeared in one of the competitive examinations such as CAT/ XAT/ CMAT/ MAT.Candidates must hold a Bachelor's Degree or possess an equivalent qualification recognized by the Ministry of HRD, Government of India / AIUDegree must entail a minimum of three years of education after completing higher secondary schooling (Class 12 or equivalent)Candidates must have minimum scored 50% marks (45% for SC/ST) in their graduation or equivalent CGPACandidates who are appearing for their final examinations can also apply for the MBA programCandidates will be selected based on CAT/ XAT/ CMAT percentile followed by Group Discussion & Personal InterviewCandidate should have done graduationExams Accepted:Documents Required:For M.TechCandidates must hold a B.E. / B.Tech / AMIE or equivalent degree in the appropriate disciplines for the respective courses with a minimum of 55% marks (50% for SC/ST) in their graduation. Both GATE qualified and Non-Gate qualified candidates can apply for the M.E. programHowever, at the time of selection, the applicant who has qualified the GATE examination will be considered first for the admissionCandidates appearing for final examinations of their Bachelor's programmeFor GATE qualified candidates:-Candidates will be selected based on their academic background and GATE scoreThe Merit list of the applicant will be prepared on the basis of 80% weightage to GATE Score and 20% weightage will be given to the candidates Class 10th, 12th and graduation / Postgraduation marks For Non-GATE candidates:- Based on the academic background the candidate will be shortlisted for the M.E programAnd at the time of counselling, the candidate also needs to bring their original documents for the verification process.candidate should be graduated in B.Tech or B.EDocuments Required:For BHMCTCandidate should have passed 10+2Documents Required:For MScCandidate should hold any graduate degree with minimum 55% marks (50% for SC/ST) Candidates appearing for their final examinations their Bachelor's programme are also eligible to apply for M.Sc program in BITS MesraMerit list is prepared on the basis of marks obtained by the candidates in Class 10, Class 12 and Graduation. After that, the shortlisted candidates will be called for the document verification round Maths at 10+2 / Intermediate level & must also have Maths or Stats as a subject at graduation level, or must be a BCA or equivalentDocuments Required:For BBA, BCACandidates should have passed in 10+2 examination from any recognized boardBITS Mesra BBA/ BCA Selection Process 2020Candidates will be selected based on the marks secured in class 12th examination Documents Required: To combat this worrying epidemic, a Chennai IT developer named Vijay Gnanadesikan developed a closed application called FaceTagr. It quickly morphed from a loan repayment application to a medium used by more than two-thirds of Kenya's adult population. So far, the RPMA network has saved Shell Nigeria more than $1 million in infrastructure development costs.Within the past five years, more than 250,000 children have gone missing in India. Many Kenyans send money to their relatives in rural areas. At the end of the coursework, each student pitches a business idea. BITS Mesra offers admission to the B.E./ B.Arch program on the basis of the applicant scores obtained in the JEE entrance examinations. FaceTagr has amassed a photo database of nearly 300,000 missing children and has already identified and returned more than a hundred.Safaricom, Kenya's largest mobile service provider, launched its money transfer service M-PESA in 2007. Based on the

candidate's performance in the entrance exam and past academic record, they will be shortlisted for the B.E/ B.Arch admission at BITS Mesra. Candidates who are looking forward to taking admission in B.E/ B.Arch program should check the eligibility criteria and selection process below before applying for the B.E/ B.Arch admission.BITS Mesra B.E,.B.Arch Eligibility Criteria 2020Candidate should have passed in class 12th examination from any recognized board with Physics, Chemistry, and Mathematics as mandatory subjects.BITS Mesra Application Process 2020Candidate need to first visit the official website of BIT MesraClick on the link "APPLY ONLINE" for the registration of the programA login page will then appear on the screen where you will see two options:- Login & New User RegisterClick on the New User Register if you have not yet registered before. 42.3K Views5 Shares22.4K Views3 Shares1.5M Views97 Comments3.4K Shares1.1M Views36 Comments4 Shares1.1M Views123 Comments724 Shares8.5L Views15 Comments848 Shares8.0L Views573 Shares4.9L Views257 Shares14.9K Views31 Shares13.9K Views918 Shares Technological aptitude is often used as a barometer to gauge the development of a country. They have partnered with most of the global phone carriers to offer a solid and aggressively priced top phone product. If this condition is not fulfilled, the provisional admission will automatically be cancelled.Pass in Class 12 / equivalent examination with English, Physics,Chemistry, Mathematics and having at least 60% (50% for SC/ST/PwD) marks in average of 4 subjects - English, Physics,Chemistry, Mathematics.For MCACandidates must have passed in Computer Science/ Mathematics / Information Practices as one of the subjects in Class 12th examination or its Equivalent ExaminationCandidates must hold a Bachelor's Degree or its equivalent qualification with minimum 55% marks (50% for SC/ST/PwD) Candidates appearing for final examinations of their Bachelor's programme can also apply for the MCA program Candidates must have one of the following qualifications: a) Bachelor of Computer Applications, or b) B.Sc. in Computer Science / Information Technology / Electronics, or c) B.Sc. with Mathematics or Statistics as one of the subjects at the graduate level. BITS Mesra MCA Important Dates 2020EventsDatesOnline Application form start Date1st Week of April 2020Last Date to Apply4th Week of May 2020Admit card release date30th May 2020Date of Online Entrance Test2nd Week of June 2020Declaration of 1st Provisional Selection List3rd Week of June 2020BITS Mesra MCA Selection Process 2020Candidates will be shortlisted based on marks obtained by the candidates in the MCA online Entrance Test conducted by the Institute. The work began in the Niger Delta and Lagos, Nigeria's largest city. And at the time of selection, the admission will be confirmed only when if the candidate had submitted the mark sheet and the passing certificate of the Bachelor's degree with minimum 55% marks (50% in case of SC/ ST) or it's equivalent degree. Ingenu hopes to finish the IoT network rollout by the end of 2017, which will allow for IoT connectivity across the country's 920,000 square kilometers.Ingenu's RPMA network outshines the low-power, wide-area (LPWA) network that previously existed in Nigeria, boasting stronger range coverage, secure transmissions, improved network capacity, and cost savings. Various factors make it difficult for families to find their loved ones.
